ANNUAL NEWS REPORT (2025-26)

In the academic year 2025-26, Government Polytechnic Kakinada continued its journey of excellence with a strong focus on academic growth, skill development, industry collaboration, and holistic student progress.

We celebrated National Festivals like Independence Day (August 15) and Republic Day (January 26) with great respect and enthusiasm. Students actively participated in the celebrations, showcasing cultural performances and patriotic spirit.

Our campus came alive with vibrant events such as Annual Day, Flash Mob, Students' and Women's Day celebrations, On the occasion of achieving 100% placements in various branches, Placement Day was observed to appreciate students' success and motivate others.

Technical clubs, workshops, seminars, and guest lectures were conducted in collaboration with industries to enhance practical knowledge and employability. Students also participated in hackathons, project exhibitions, and innovation challenges.

Our students excelled in academics, sports, and co-curricular activities, bringing laurels to the institution. Many secured placements in reputed companies, while others progressed to higher studies.

Our faculty members actively contributed to curriculum development, training programs, and industry interactions, strengthening the institution's reputation.

The year 2025-26 stands as a testament to our collective dedication and commitment. We look forward to achieving even greater milestones in the coming years.
